

Corporate Sponsorship

His Place

Reg Charity No: 1054331

What you get for supporting us?

- Knowledge that you are supporting the community and every person who receives a service / support or engages with the different events, activities taking place at His Place Community Church, His Place Art Café & Community Centre, Opus Theatre and The Space.
- Your logo will be added to the His Place website and to the Heritage at Risk website.
- Your logo / name will be added to the history book that we are creating as part of this project.
- Your logo or name will be added to the DVD that we will be creating.

Corporate Gift Aid – Your donation and support for saving this building can also help you through reducing tax for the year you donate to us. Companies are entitled to tax relief for qualifying charitable donations made to charities. The donations are paid gross without the deduction of income tax. The donations are deductible from the company's total profits in the year in which the donations are made.

Volunteer time – Are you in a position to provide volunteers to donate a fixed amount of time to promote this project or run a fundraising event for us? Maybe a cake sale at work, raffle, sponsored silence, quiz night?

Item donation – We are requesting the following items to aid in this project through reducing our day to day increased costs. We continue to run all our activities, including the OPUS Theatre, Café, Community Groups and therefore our overheads and needs continue.

Paper – would you like to donate reams of paper for the printing of certificates, flyers and brochures? Flyer printing and promotional information – would you like to donate or arrange flyer printing for us and cover the cost? In return have your logo added to the art work in addition to the reward for support.

DVD production – would your company like to create the DVD if we provide the information for it? This Dvd will not be completed until the practical work is completed as we would like to include footage of how the window and stone repairs take place ensuring traditional craft techniques are recorded for prosperity.

History book production - would your company like to create the book if we provide the information for it? This This will not be completed until the practical work is completed as we would like to include photos of how the window and stone repairs take place ensuring traditional craft techniques are recorded for prosperity.

Entertainers – we are looking for suitable entertainers to be add to our open day events in September for the Heritage open days. Encouraging those who would not normally have an interest in history to attend through the opportunity of being entertained.

Information re the Opus Theatre where entertainment will take place – <http://www.opustheatre.co.uk>
